Jackson Cash-Book.

On Tuesday, the 12th, R. H. Harris and John H. Underwood were sentenced to a year and a day's service in the penitentiary at Leavenworth, Kansas, by Judge D. P. Dyer in the Federal court which convened at Cape Girardeau last Monday. Owing to the nature of the case, it attracted considerable attention, especially in the section where the depredations of the band took place. Others who received lighter sentences were J. S. Bryant, George Jackson and Ed Martin.

Jackson Cash-Book.

In the great throng which surrounded the entrance to Bruening & Kerstner's store yesterday morning at the opening of their big sale, William Byrd of this city was one of the first to enter. Shortly after entering the store he made a purchase, and a few minutes later discovered that his pocketbook was missing. A search failed to reveal it, and Mr. Byrd began to suspect that it had been taken by someone in the crowd. He went before Squire J. G. Putz and had a search-warrant issued and served upon a party that he suspected. Upon being searched, however, the pocket-book was not found upon the suspect.

Jackson Items.

A car belonging to one Williams of the Cape caught fire and was completely destroyed last Tuesday night on the Cape-Jackson road near CapeLaCroix Creek, three miles west of the Cape. The car was being driven by Albert Grimes, an employee of the southeast Missouri Motor Car company, who was returning from a trip to the county seat. The accident occurred about 10 p. m. According to Grimes' statement, just as they crossed the railroad at that place and started up the grade the engine began to backfire. A moment later it was discovered that the car was afire. Grimes and his companion, Haynes, tried to extinguish the flames, but not being able to get under the car to the place where it had originated, they soon saw it was useless to do so. Having a lot of gasoline in the large tank, they decided to get the car off the main road before an explosion was caused. Loosing the brake, they backed the car down the hill and pushed it back along the road which runs parallel to the C. G. N. railroad at that point. They succeeded in getting it about 125 yards off the main road, but not until their hands and clothing were considerably singed. It was a Henderson car, and is said to have been worth several hundred dollars. We were unable to learn whether or not it was insured.

Free Until 1916

Have you subscribed yet for The Youth's Companion for 1916? Now is the time to do it, if you are not already a subscriber, for you will get all the issues for the remaining weeks of 1915 free from the time your subscription with \$2.00 is received.

The fifty-two issues of 1916 will be crowded with good reading for young and old. Reading that is entertaining, but not "wishy-washy." Reading that leaves you, when you lay the paper down, better informed, with keener aspirations, with a broader outlook on life. The Companion is a good paper to tie to if you have a growing family—and for general reading, as Justice Brewer once said, no other is necessary.

If you wish to know more of the brilliant list of contributors, from our ex-Presidents down, who will write for the new volume in 1916, and if you wish to know something of the new stories for 1916, let us send you free the Forecast for 1916. Every new subscriber who sends \$2.00 for 1916 will receive, in addition to this year's free issues, The Companion Home Calendar for 1916.

Editor Press,

Dear Sir,

Will drop you a few lines tonight as I am not very busy, and also wish to tell you I have not been getting my copy of your paper which has probably been misplaced in some way and wish you would please look into this as I certainly do miss its weekly visit. You know a person always enjoys the news from home. I have not gotten the three last issues and would be pleased to get the back numbers.

I am still working for the Wabash railroad and like it fine. We are working under better conditions now than any time in the past, as we have just got an increase in pay and an 8-hour working period. The committee for the Order of Railroad Telegraphers has just returned from St. Louis where they had a meeting with the managers and the result was an increase of \$5.00 per month and straight eight hours for a working day. So our working conditions now are nice.

We are having some nice fall weather at present, but last week we got a little snow and it was real cool for a few days. The farmers are busy with their crops now. Corn cutting just commenced—filling silos—and so on. Wheat sowing just about finished.

The corn was rather late and the frost caught some of it before it was fully matured, but is up to an average considered good.

I have just returned from a trip to some of the places of interest. East. Was in Detroit, Michigan, Buffalo, New York, and around Niagara Falls, on to New York city and return. Had a real nice time and a person certainly feels the better for work after taking a short vacation.

Well, will close for the present and trust you will look after the copies, as I certainly enjoy getting your paper. I am

Yours truly

General Baptist Association

The fifty-fourth annual session of the Liberty association of General Baptists met at Mount Zion church, six miles north of Marble Hill on October 14, 15 and 16. Opening services were conducted by Rev. Morris F. Gilbert. There were twenty-six churches represented. Three new churches were reported. The total membership of the association is 1571. The gain in members last year was 321. Delegates and visitors present 100. Seven young brethren were licensed to preach, three were ordained. There are thirty-three ministers in the association. Revs Morris F. Gilbert and Mitcher of New Liberty, and J. W. Lindley of United association were visiting delegates. The next session will be held at Oak Valley church, three and a half miles southwest of Allenville, on October 12, 13 and 14 next year. Rev. Thomas W. Cooper of Friendship church, Grassy, was elected moderator. A. B. Lane of Brownwood, clerk. John H. Henley of Locust Grove church, corresponding secretary. Lutesville, Mo.

The following resolution was adopted: Knowing that the liquor traffic is one of the worst evils of our land, causing all kinds of trouble in our homes, churches and in public worship, therefore we earnestly request our church and people, especially our ministers, to give their influence against this evil in every way that will help to overcome the evil and promote the welfare of our denomination. We also request that if resolution is adopted it shall be published in the papers in each of the counties in old Liberty association.
